Thank you, all, for the information you've provided these past few days.

And Bob, especially, thank you for the work you did on the process schematic. I will delete my schematic and insert yours into my document. I appreciate the time and effort that went into that.

Have a wonderful weekend and a safe and happy Memorial Day!

Sincerely,  
Michael

Tita:

I have not had time to read the RCRA permit, so if the following questions seem too obvious please forgive me. Answers would very much help me, however.

If you can kindly provide answers to the above as soon as possible, I can wrap up my findings memo.

Thank you,  
Michael
